Dining Tables

Timber dining tables are durable, beautiful and timeless. They add style, warmth & liveliness to the overall decor of your room.

[View Range](#)

Dining Chairs

A collection of designer dining chairs for your space.

[View Range](#)

Console Tables

A console table imparts style to entryways and halls, whether it be timber, concrete or live edge, they accent your space. These surfaces can serve as purely decorative or fulfil a functional need – providing a space to house essentials like keys or mail.

[View Range](#)

Bathroom Vanities

Customise your designer timber bathroom vanity to your unique space.

[View Range](#)

Live Edge Tables

Stunning handcrafted live edge tables that offer a natural look combined with metal bases to give it that modern, industrial edge.

[View Range](#)

Entertainment Units

Contemporary, simplistic & functional style, our floating & floor standing entertainment units can be customised by timber, size and configuration.

[View Range](#)

Coffee Tables

A coffee table is a focal point in your living room so you'll want it to make a stylish yet minimalist statement.

[View Range](#)

Island Benches

A customised island bench can work perfectly as a freestanding kitchen bench, a meeting table for your office or a bar bench for the blokes.

[View Range](#)

Recycled Timber Furniture

We embrace the earthiness and 'realness' in materials that connect us with the ever changing environment. Recycled timber furniture that tells a story will enhance and bring

warmth to your home. A natural piece of recycled timber furniture is luxury in an unconventional way.
